

DATA ARCHIVING

On Saturday, September 16, 2000, MAIN FACS onlines will not be available to the users. On that day, MAIN will archive data for fiscal years 1998 and earlier. This should have no impact on the RMDS reports. Users will be able to use inquiry screens for fiscal years 1999 and 2000 without any visible effects.

Due to preparations for archiving, users will not be able to inquire on inactive accounting events on Thursday, September 14 and Friday, September 15.

If users try to use fiscal year 1998 or earlier in the INQ YEAR field on the following inquiry screens, no data will be retrieved:

S058 Agency/Fund Summary Inquiry
S060 GAAP Basis Authorization Financial Inquiry
S062 Appropriation Financial Inquiry
S064 Document Record Inquiry
S065 General Ledger Record Inquiry
S069 Agency/Fund Record
S080 Project Financial Inquiry
S084 Accounting Event Record Inquiry
S085 Vendor Transaction Inquiry
S086 Document Transaction Inquiry
S089 Summary General Ledger Inquiry
Inquiry screens that will remain unaffected are:
S057 Cash Control Summary Inquiry
S061 Agency Budget Record Inquiry
S063 Cash Control Financial Inquiry
S066 Grant Record Inquiry

Users can get data for fiscal years 1998 and earlier from MIDB. Users can also obtain data from R*STARS for fiscal year 1998. This data can be obtained by using the value YA in the INQ TYP field and 99 in the INQ YEAR field, on the inquiry screens listed above. Data for years earlier than 1998 could be obtained by using the value YY in the INQ TYP field and 99 in the INQ YEAR field.
